

**THE PRIME-41 WINE EXPERIENCE**

At Prime-41, choosing the perfect wine should feel effortless. Our list is curated with intention—a balance of iconic producers, hidden gems, and bold, modern selections that pair beautifully with every cut on our menu. Whether you’re a seasoned collector or simply exploring, our wines are organized with clarity and purpose, making it easy to find exactly what you love.

We’ve grouped our selections by style and flavor profile, not just region, so guests can navigate by what they enjoy—rich and full-bodied, bright and aromatic, elegant and refined. Each category includes thoughtful notes to guide you, and our team is always ready with confident, knowledgeable recommendations.

Our wines are also priced aggressively for our guests, ensuring that exceptional bottles can be enjoyed freely and often—not saved for a special occasion.

The result is a wine list that feels both elevated and welcoming. No guesswork. No intimidation. Just great wine, chosen well and priced with intention.
